CORE VALUES

We—the District Governing Board and employees of Coconino Community College—are dedicated to providing quality educational opportunities to our community. In doing so, we commit to the following core values to guide our decisions and behaviors as we seek to meet the changing needs, aspirations and goals of our community:

People

We strive to accept the uniqueness of each individual and the contribution each person makes. We strive to create a caring, accepting and productive environment for our students, employees and community.

Learning and Growth

We are dedicated to providing lifelong learning opportunities for our students, employees and community to empower them to achieve their dreams. In this endeavor, we create learning opportunities that are accessible and relevant to our students and place the learner first.

Quality

We recognize the importance of continually improving our educational offerings and services and the need to hold our students and ourselves to high expectations and standards. We employ a dynamic, strategic planning process and constantly assess our activities to be responsive and accountable to our students, employees and community.

Ethics

We believe that to be effective we must demonstrate integrity. Therefore, we uphold the highest ethical standards in all of our activities resulting in a responsible and fair environment for our students, employees and community, and a responsive and open decision-making process.

Community

We exist for our community; therefore, we must be responsive to its changing needs and its diversity. To do so, we strive to provide services that are timely, accessible and affordable. We also pursue partnerships and collaborations throughout our community to be responsive to the needs of our diverse populations.

Respect

We recognize that learning cannot occur without respect. We are committed to the acceptance of diverse cultures, differing ideas and beliefs and the uniqueness of each individual since these are the foundations of respect

Sustainability

We commit to innovative thinking to guide our decisions toward sustainable practices in our living and working environments. In this earnest endeavor, we strive to demonstrate adaptive leadership, eco-friendly stewardship and quality education in a mindful and economically feasible manner.
