Faculty/Staff edition, Fall 2010

WELCOME TO THE VIRTUAL LIBRARY

Greetings Coconino Community College Faculty and Staff!

I am thrilled to be serving as your new librarian. Please stop by and visit in the Student Center or get in touch with me. My contact information is listed at the top of this newsletter.

There are many changes this year in the CCC library. We have extensive online resources to help you with your classroom success. All you need is your Comet ID to access these resources from anywhere and at anytime.

We are collaborating with NAU's Cline library to provide enhanced library services. Check out books and videos, use the laptops and study-rooms, and make use of the online reference, document delivery and interlibrary loan services. The NAU library staff and I are here to help!

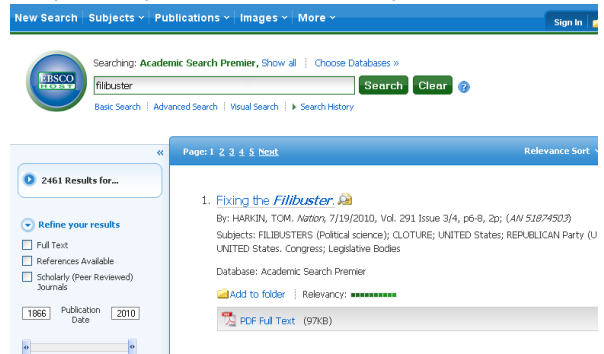

I am available for classroom instruction, one-on-one consultation, Cline library visits, and general questions. Please feel free to contact me, I look forward to working with all of you!

COLLECTION ANALYSIS

Reduction of the physical library collection continues. All faculty are invited to review the remaining library materials in person or through the list linked below. Materials identified for reduction will be removed by the end of the Fall semester, so please be in touch to ensure items you may need remain at CCC.
