Tuition Assistance Grant (TAG) is a one-time grant of standard tuition for one, 3-credit CCC course for residents of Coconino County who have graduated from the GED program at CCC. Students must use the TAG waiver within one year of receipt of the GED. TAG can only be used to pay **standard** tuition and will automatically credit the student's account. It does not pay **differential tuition amounts**, fees and books, etc. If a student has a hold on his/her account, it must be resolved before the TAG will be awarded. It is recommended that students also file a FAFSA and complete a financial aid file in order to see if they qualify for additional money. College scholarships, waivers and loans may be reduced to account for other aid, or in some cases other aid may be reduced to avoid awarding more than the student's calculated need. In order to qualify for TAG, recipients must meet the following three items:

- _____ Initial Here I am a Coconino County Resident
- _____ Initial Here I received my GED from CCC within the last year
- _____ Initial Here I have attached a copy of my official GED transcript from CCC

Most male students must register with the Selective Service System between the ages of 18 and 25 in order to qualify for aid containing state monies. Please initial whichever below applies to you.

- _____ Initial Here I am a male between the age of 18 and 25 and am registered with selective service
- _____ Initial Here I am a male between 18 and 25 and am not registered with selective service
- _____ Initial Here I am a female
- _____ Initial Here I am a male 26 years of age or older.

*Some CCC scholarships, waivers and grants are funded in part or in whole with Arizona state monies. These funds are governed by Arizona State laws. They are not available to a person who is not a citizen of the United States who is without lawful immigration status. This rule applies to all tuition waivers, fee waivers, grants, scholarship assistance, financial aid, classification as a resident for tuition purposes, tuition assistance in general, or any other type of financial assistance that is subsidized in whole or in part with state monies. The Office of Student Financial Aid confirms your eligibility by referencing (a) the Residency Statement and documentation you provided to the Office of Registration and Enrollment Services and/or (b) the Free Application for Federal Student Aid (FAFSA). CCC is required to report to the State of Arizona students who apply for financial aid that includes state monies and are denied due to not being lawfully in the U.S. Failure to submit a Residency Statement to the Office of Registration and Enrollment Services may disqualify you for financial aid that contain state monies.

Certification:

I certify that the information given is complete and accurate to the best of my knowledge. I understand the submission of false information is grounds for denial of admission, or immediate suspension if enrolled, and may subject me to criminal charges.
