Your financial aid file was selected for verification. During verification, the school compares information from your Free Application for Federal Student Aid (FAFSA) with copies of you and your parent(s)' 2015 Tax Transcripts, W-2's or other financial documents. The law states we need to ask you for this information before awarding federal aid. If there are differences between your FAFSA and your financial documents, we will make corrections to your FAFSA. We may require additional documentation if we have reason to believe the information on this form is inaccurate.
