### STEP 1: Read the CCC Satisfactory Academic Progress (SAP) Policy

- I have read the [Satisfactory Academic Progress Policy](#).

### STEP 2: Select the reason for appealing and follow the instructions; incomplete appeals will be denied:

- Completed requirements: I have completed 6 credit hours at CCC in one semester using my own money, my pace of progression is at least 66.66% and my *cumulative* GPA is 2.0 or better. I understand that this appeal will be evaluated when grades post at the end of the semester and I will need to make payment arrangements for the next semester, Financial Aid **will not** hold my classes.
- Review remedial courses: I took remedial/developmental courses (Below 100 level in CHM, ENG, MAT or RDG) at CCC and would like them excluded from my SAP calculation.
- Significant Illness or Injury: I have attached a letter explaining the illness or injury, specific dates when it occurred, and how long it lasted. I have attached medical records verifying the illness/injury **and** doctor's or counselor's statement verifying my ability to successfully complete future coursework.
- Death of family member: I have attached a letter stating the immediate family member's date of death and relationship to you. Attach a copy of the death certificate or obituary documenting the death. Immediate family includes: spouse, child, parent, sibling or grandparent.

### STEP 3: Check off all items below and follow the instructions listed:

- Appeals are not approved for poor academic performance, conflicting work schedule, child care schedule, arrests, ran out of money, financial aid came in late, didn't understand the financial aid policy, car broke down, transportation issues, eviction from apartment, distant relative died, minor illness, or the instructor was unfair.
- I have attached a letter that thoroughly describes the events/circumstances that led to my inadequate academic performance and have described actions that I have taken to prevent a repeat occurrence of the events.
- I have attached all other necessary documentation to support my appeal.
- I understand that submission of this appeal does not guarantee approval.

### STEP 4: Read and sign below:

*It takes 10 working days for a decision. If a decision has not been made by the time classes begin, I must make payment arrangements with the Cashier's office or enroll in the FACTS payment plan or I may be dropped from my classes. I understand that approval of the appeal will not waive outstanding charges to the College.*

*I certify that the information provided is complete and accurate to the best of my knowledge. I understand that submission of false information may result in a delay or denial of federal financial aid and may subject me to criminal charges. I understand that purposely giving false or misleading information may result in a fine of up to \$20,000, being sent to prison, or both.*
