Most unmarried students under the age of 24 are considered **dependent** for federal financial aid purposes and must provide parental information. In cases where parents provide absolutely no financial support for the student **and** refuse to provide their information on the student's FAFSA, the student may submit this request along with a Federal Direct Loan Request Form to receive **only** unsubsidized loans.

Who is **required** to sign this form?

1. Parent(s) whose information would have been used to complete the FAFSA:
2. If student's parents are legally married, both signatures are required.
3. If parents are divorced or legally separated, the parent who the student lived with more during the last 12 months or the parent who provided the most financial support in the last 12 months is required to complete the form.

Parent(s) must initial each statement below indicating they understand the impact of this request:

- \_\_\_ \_\_\_ I **do not and will not** provide **any** financial support to my child, **including** but not limited to: cash support, non-cash support such as room & board, use of my vehicle, health or car insurance coverage, groceries, rent, utilities, tuition, books, schools supplies, or co-signing any type of loan for student.
- \_\_\_ \_\_\_ I stopped financially supporting my child on this date: \_\_\_\_\_
- \_\_\_ \_\_\_ It is in the student's best interest to submit a FAFSA with parent's income & household information. This may allow for the student to qualify for a subsidized loan, which is better than an unsubsidized loan.
- \_\_\_ \_\_\_ My child, will only be eligible for federal unsubsidized loans if this request is approved.
- \_\_\_ \_\_\_ Interest will immediately begin accruing on my child's loan.
- \_\_\_ \_\_\_ If this request is approved, my child will **not** be eligible for financial aid, including but not limited to:
- Federal Pell Grant; Federal SEOG Grant, Federal Work Study
  - Financial need-based scholarships
  - Federal subsidized student loans; Federal parent PLUS loans

I certify that I refuse to provide income & household information on the Free Application for Federal Student Aid (FAFSA), my financial support of my child has ended and I will not provide any financial support, as indicated above, in the future. I certify that information provided on this form is true and complete to the best of my knowledge. Purposely giving false or misleading information may result in a delay or denial of my federal financial aid and I may be fined up to \$20,000, sent to prison or both.
