This rule applies to all tuition waivers, fee waivers, grants, scholarship assistance, financial aid, classification as a resident for tuition purposes, tuition assistance in general, or any other type of financial assistance that is subsidized in whole or in part with state monies. CCC is required to report to the State of Arizona the number (but not the names) of students who apply for financial aid funding with state monies and are denied due to not being lawfully in the U.S. Failure to turn in a domicile Affidavit to Registration and Enrollment Services may disqualify you for financial assistance that contains state monies.*
