Tuition Assistance Grant (TAG) is a one-time grant of standard Arizona resident tuition for a one to five credit hour CCC course for residents of Coconino County who have completed the CCC's Adult Education program within one year before the start of term. Completion of CCC's Adult Education program is defined as receiving a High School Equivalency (GED) or achievement of National Reporting System (NRS) level of 4 or higher in the English Language Acquisition for Adults (ELAA) program after receiving instruction from the CCC Adult Education program. Funds can only be applied toward tuition. Students must use the TAG waiver within one year of receipt of the GED or completion of ESL level 4 or higher. TAG can only be used to pay standard tuition and will automatically credit the student's account. It does not pay differential tuition amounts, fees, books, etc. If a student has a hold on his/her account, it must be resolved before the TAG will be awarded. It is recommended that students also file a FAFSA and complete a financial aid file to see if they qualify for additional money. College scholarships, waivers, and loans may be reduced to account for other aid, or in some cases, other aid may be reduced to avoid awarding more than the student's calculated need.

To qualify for TAG, recipients must meet the following three items:

- _____ Initial Here I am a Coconino County Resident
- _____ Initial Here I received my GED or achieved NRS Level 4 or higher in ELAA within the last year after instruction at CCC
- _____ Initial Here I have attached a copy of my official GED transcript or copy of TABE CLAS-E results from CCC

Most male students must register with the Selective Service System between the ages of 18 and 25 to qualify for aid containing state monies. Please initial whichever below applies to you.

- _____ Initial Here I am a male and am registered with selective service
- _____ Initial Here I am a male and am not registered with selective service
- _____ Initial Here I am a female

**Some CCC scholarships, waivers, and grants are funded in part or whole with Arizona state monies. These funds are governed by Arizona State laws. They are not available to a person who is not a citizen of the United States and who is without lawful immigration status. This rule applies to all tuition waivers, fee waivers, grants, scholarship assistance, financial aid, classification as a resident for tuition purposes, tuition assistance in general, or any other type of financial assistance that is subsidized in whole or in part with state monies.*

The Office of Student Financial Aid confirms your eligibility by referencing (a) the Residency Statement and documentation you provided to the Office of Registration and Enrollment Services and/or (b) the Free Application for Federal Student Aid (FAFSA). CCC is required to report to the State of Arizona students who apply for financial aid that includes state monies and are denied due to not being lawfully in the U.S. Failure to submit a Residency Statement to the Office of Registration and Enrollment Services may disqualify you for financial aid that contains state monies.
