

Coconino County

Arizona

CCC serves the second largest county in the nation, the largest in the state at 18,661 miles.

46% of university graduates had credit from an Arizona community college.

CCC serves ages 13-80, from high school to lifelong learning.

CCC first-year transfer students attending Arizona universities achieved an average GPA of 3.03.

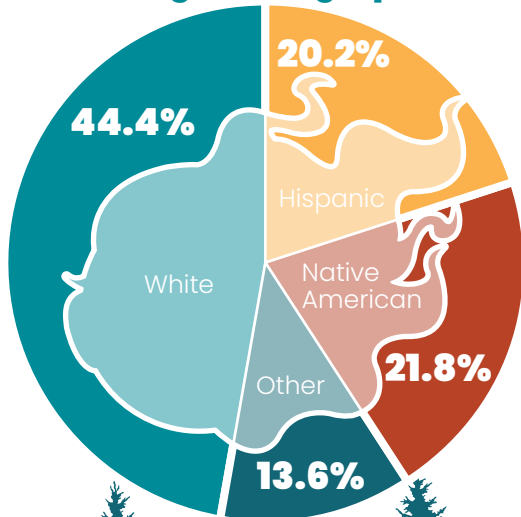

CCC is designated a Native American Serving Non-Tribal Institution.

CCC has served nearly 100,000 students during its 33 years.

College Demographic

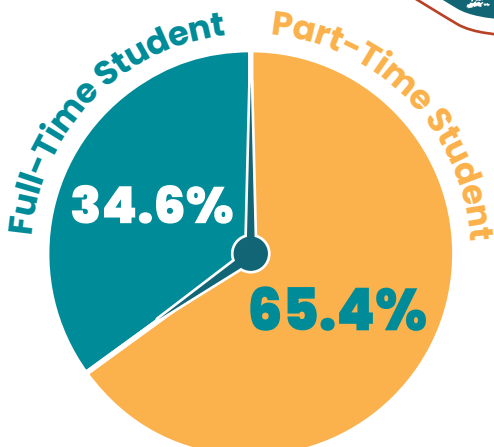

Providing Affordable Tuition

A Coconino County resident attending CCC for one year pays one quarter the cost compared to one year of tuition at a state university.
