

Coconino Community College

Certified Nursing Assistant Certificate Program

**** Beginning Spring 2017 an AZ DPS Fingerprint card will be required to register for the CNA class.**

After completing NUR 110 and NUR 111, as part of the licensing application process, CNA students must pass a fingerprint clearance with the Arizona State Board of Nursing, a CNA test with D & S Diversified, and proof of citizenship. Please refer to www.azbn.gov for more information.

!!!Attendance at First Class is Mandatory!!!

A complete description of this course is available at the Coconino Community College Web site:

www.coconino.edu/Academics/Career/Nursing

Course: NUR 110, Certified Nursing Assistant, 4 credits (letter grade)

This course will cover basic concepts common to all members of the health team in acute and long term care settings. Principles of communication, nutrition, emergency care medical terminology, environmental safety and comfort and ethical/legal aspects of health care will be taught. Basic nursing skills based upon fundamental nursing concepts in giving individualized client care will be learned in the classroom and in practice. A focus on the Certified Nursing Assistant's role in caring for the adult patient/resident will be made. Under the expanded role of the Certified Nursing Assistant other opportunities will be reviewed as well.

*** This class will prepare the student to take the written skills examination for the Arizona State Board of Nursing (ASBN). The student must pass this class and the state exam to become certified. You must pass NUR 110 with a "B" or better, and successfully complete NUR 111. Verified Competency of skills #1-21 in the CNA Candidate Handbook is required prior to students being permitted to attend clinicals. Inability to attend or unsatisfactory clinical will result in a failing grade for both NUR 110 and NUR 111.**

Co-Requisite Course: NUR 111, Nursing Assistant Clinical, 40 hours of Clinical Time, 1 credit S/U grade

This course will provide students with the necessary clinical time required for application for state certification as a Certified Nursing Assistant. Students will practice basic concepts common to all members of the health team in acute and long-term care settings which include basic principles of communication, nutrition, emergency care, medical terminology, environmental safety and comfort, ethical/legal aspects of health care, basic nursing skills based upon fundamental nursing concepts in giving individualized client care. ***Students must have a grade of 80% or more in nursing 110 to attend clinicals.***

Pre-Requisite or Co-Requisite: AHS 131, Medical Terminology

You will be given information regarding clinical supplies and uniforms on your first day of class. You **DO NOT need a uniform to begin class. .**

American Heart Association CPR for Healthcare Providers. This is the only acceptable CPR certification. Coconino Community College requires this form of certification and none other. Even if you have a more advanced form or are told it is the same thing, this will be the only one that will be accepted.

CCC offers CPR classes on a regular basis. Please contact the registration department at 928 526-7601 for more information.

TO REGISTER: Bring originals of the above listed requirements to the **Registration Counter at the Fourth St Campus, or to the Registration Counter at the Lone Tree Campus.** An enrollment representative will verify your information and give you authorization to enroll. Authorization to register does not guarantee enrollment in class. Classes are limited to 20 students, first come first served.

Please call the Nursing Department with questions.

Our office hours are:

Monday-Thursday 7:00 am – 5:00 pm

We are located on the Fourth Street Campus

928 526-7640

*****Due to the high demands for these courses, attendance at the first class meeting is required, or you will be dropped and another student will be given placement. Classes are limited to 20 students. Early registration is strongly advised.***
