

Coconino Community College Nursing Assistant Program Prerequisite Information

These guidelines are indicated for anyone interested in enrolling in the nursing assistant courses (NUR 110 and NUR 111). The requirements are set forth by the nursing assistant program personnel in response to clinical facility and Arizona Board of Nursing requirements. No exceptions will be made for any requirement, and no student shall enroll or enter class without meeting **all** the requirements.

All paperwork documenting the following requirements must be in hand when registering at CCC. For CAVIAT students, all documentation must be submitted to the Director of Nursing no later than two weeks prior to the beginning of the enrollment semester with no student enrolling or attending until documentation has been verified by the Director of Nursing. *CAVIAT students, please go through the CAVIAT program to submit documentation.*

Please note that records which have expiration dates must be current at the time of registration and not expire prior to the end of the semester.

Requirement	What	Approximate Cost	Notes
American Heart Association BLS Provider Certification	This is the only BLS certification that is accepted. Students may register to take the BLS course here: https://www.coconino.edu/community-education	\$60 at CCC	AHA BLS renews every 2 years.
