

Southwestern Region Temporary Hire Outreach Notice

GS-02 thru GS-09

The Southwestern Region of USDA Forest Service is looking for committed and hardworking individuals for all aspects of our land management work on 11 National Forests and Grasslands with positions located in Arizona, New Mexico and Oklahoma. Our temporary workforce is a key piece of managing 20.6 million acres of land in the Southwestern Region. We will hire positions to work in the areas of Fire, Recreation, Range, Botany, Timber, Wildlife, Engineering, Archeology, and Administrative Support. We are using a Centralized Temporary Hiring process to streamline the process and provide consistent hiring around the region and throughout the agency.

This outreach is for GS-02 through GS-09 temporary positions. The vacancy announcements for these positions will be posted on the U.S. Government's official website for employment opportunities [USA Jobs \(www.usajobs.gov\)](http://www.usajobs.gov). The vacancy announcements will be open for applications on September 16, 2019. Those who wish to be considered for these positions must apply to the vacancy announcements by the closing date of September 25, 2019.

The Certificates of Candidates for these positions will be issued to the selecting officials on or about December 2, 2019. All applicants who have applied to the announcements on or before the listed closing date and are found to be qualified and in the quality group will be referred for consideration. Applicants should check the status of their application during this time in your USA Jobs account.

There is a list of temporary positions that we are planning to fill for 2020 on the [Southwestern Region Centralized Temporary Hiring web page \(https://www.fs.usda.gov/detail/r3/jobs/outreach/?cid=STELPRDB5426474\)](https://www.fs.usda.gov/detail/r3/jobs/outreach/?cid=STELPRDB5426474).

You must complete the application process and submit all required documents electronically by 11:59 p.m. Eastern Time (ET) on September 25, 2019. Assistance is available during business hours (normally 8:00 a.m. - 4:00 p.m., Monday - Friday). Applying online is highly encouraged. If applying online poses a hardship, please contact our office well before the closing date for an alternate method. All hardship application packages with supporting documents must be received no later than noon on the closing date of the announcement in order to be entered into the system prior to its closing. This agency provides reasonable accommodation to applicants with disabilities on a case-by-case basis. Please contact us if you require this for any part of the application and hiring process.

Step1 – Create a USAJOBS account

(If you do not already have one) at www.usajobs.gov. It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJOBS account to check on the status of your application.

Step 2 - Create a Resume with USAJOBS or upload a Resume into your USAJOBS account.

You may want to customize your resume to ensure it documents duties and accomplishments you have gained that are directly related to this position in order to verify that qualifications are met. In addition, your resume must support your responses to the online questionnaire (you may preview the online questionnaire by clicking on the link at the end of the How You Will Be Evaluated section of the job announcement).

Step 3 - Click "Apply Online"

Follow the prompts to complete the Occupational Questionnaire and attach any additional documents that may be required.

You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on "Application Status." Click on the position title, and then select "Update Application" to continue.
