

Policy 143-00 Institutional Data Governance

Sponsor: Information Technology Services

Policy

The District Governing Board recognizes institutional data as a critical College asset and supports its responsible management, protection, and use in support of student success, College operations, informed decision making, and regulatory compliance. Institutional data shall be governed and protected in a manner consistent with the College's mission, vision, values, and all applicable laws. All employees, contractors, students, and third parties using College data must comply with applicable laws, regulations, and College procedures.
