**Creating Diversity, Valuing People**  
Coconino Community College recognizes and respects diversity and the value it brings to our communities. We appreciate and welcome cultures, identities, beliefs, experiences and all that makes us unique. CCC champions and takes action to build an inclusive work and learning environment. We are allies and advocates, navigating a respectful dialogue about our shared humanity.

**Land Acknowledgement Statement**  
On behalf of Coconino Community College, we would like to express our gratitude and appreciation to the sacred land on which this educational institution resides. Sacred sites located within Coconino County include the San Francisco Peaks, Oak Creek Canyon, Sedona Red Rocks, the Colorado River, the Little Colorado River, the Colorado River Confluence, the Grand Canyon, and many more sites. This land has been inhabited by the Sinagua and Ancestral Pueblo for thousands of years. Currently, the Zuni, Apache, Yavapai, Hualapai, Havasupai, Paiute, Diné, Hopi, and many other Arizona tribal nations recognize this land as a significant spiritual place. This sacred land is enriched with indigenous history and culture that lives on to this day. We, as a community, with our CCC family and friends, are very fortunate to live, work, and share this unique location.

**Alma Mater Lyrics**  
In the forest standing tall for the benefit of all, Stands our dearly beloved alma mater,  
With our many cultures strong helping everyone belong, Embraced by our beloved alma mater,  
Hail Hail we salute you, Hail Hail to you Coconino Community College,  
Sharing hope and opportunities with all of our communities, Inspired by our beloved alma mater.

**Faculty speakers**

**Katie Schwartz**

Profesora Katie began her teaching career as a high school Spanish teacher in 2012, but she moved across the country to Flagstaff to get a master’s degree from NAU. She landed her full-time “dream job” at CCC in 2017, and her biggest joy is interacting and conversing with her students to help them connect with the Spanish-speaking world.

**Alan Cartwright**

Alan has taught American Sign Language part-time at CCC for nearly a decade. Originally trained as a scientist, his world changed when he worked with a fishing crew in Alaska. His curiosity for the world led to extensive travels, stints in the Peace Corps with his wife, and an incredible ability to tell stories to show his students to be curious, move forward and to never let fear hold them back.

**Arts & Sciences Student Speakers**

**Tami-Shae Brooks**

Tami-Shae will be graduating with an Associate of Science and will be transferring to Northern Arizona University to complete the requirements for a bachelor’s degree in Computer Science, with a minor in Mathematics. Born in Jamaica and on a path to U.S. citizenship, Tami-Shae values family and living a purposeful life.

**Cole Catron**

Cole will be graduating with an Associate of Business. Cole plans to head to Northern Arizona University next to study Business Economics. Recently awarded top CCC2NAU and LSAMP student of the year honors, Cole, a Strengthening Indigenous Student Success Peer Mentor and tutor, is committed to helping his local underdeveloped communities better allocate their monetary resources.

**Career & Technical Education Student Speakers**

**Mariah Harer**

A first-generation college student, Mariah will be graduating with an Associate of Applied Science in Nursing from CCC and a Bachelor of Science in Nursing from Northern Arizona University. She is a member of the Phi Theta Kappa Honor Society, a CCC2NAU student and a member of TRIO. She’s always wanted to help people in the medical field, and nurses get the most hands-on time with patients.

**Margit Veronica Devries**

Her passion for sustainable building has led Veronica to the goal of graduating from CCC with an Associate of Applied Science in Sustainable Green Building. She is a member of the Phi Theta Kappa Honor Society, and she received the honor of being the Construction Technology Management Trades Student of the Year for 2023.
