Earning your Certificate for Apartment Maintenance Technician (CAMT) validates your knowledge, enhances your reputation and credibility, boosts your confidence, and earns you respect. Training tailored for the community's needs! Content will include maintenance for houseboats, hotel and motel, and other commercial industries.

### You'll learn about:

- Customer service and performing maintenance tasks according to company policy and procedures
- Environmental responsibility and regulatory compliance
- Safety and reporting requirements
- OSHA 10 certification
- Product repair and replacement decisions
- Professional behavior patterns, communication skills, and appearance
- Clear and respectful communication with residents, team members, and contractors

### Services and Repairs

- Electrical
- Plumbing
- HVAC
- Construction
- Mechanical
- Appliances
- Lock and key

If you're a **maintenance technician** or a **porter, housekeeper, or groundskeepers** ready for advancement we recommend this course!
