121-13 PARKING AND VEHICULAR TRAFFIC—PROCEDURAL GUIDELINES

All Single Vehicle Parking Permits are to be applied on a single vehicle. Permits must be adhered with its own adhesive on the outside of the rear window on the passenger side in the upper corner of vehicles equipped with fixed rear windows (non-removable or not a convertible-style top). If the vehicle has a removable or convertible style rear window, the permit is to be placed on the passenger side of the rear bumper. For motorcycles, the permit is to be placed on either the right front fork or any windshield or fairing.

CLEAN YOUR WINDOW BEFORE APPLYING PERMIT

Permit must be adhered with its own adhesive to the outside of the rear window on the passenger side in the upper corner of vehicles

Convertible vehicles may place the decal on the rear bumper as pictured

Motorcycles with fairing may place it on the fairing or the right front fork as pictured

Trucks with removable campers have the option of placing the decal on the rear window or rear bumper as pictured

If your Vehicle does not fit any of these descriptions, Talk to Security before placing your permit on your Vehicle.
