PLEASE NOTE THE FOLLOWING:

- Some CCC scholarships, waivers and grants are funded in part or in whole with Arizona state monies. These funds are governed by Arizona State laws. They are not available to a person who is not a citizen of the United States who is without lawful immigration status. This rule applies to all tuition waivers, fee waivers, grants, scholarship assistance, financial aid, classification as a resident for tuition purposes, tuition assistance in general, or any other type of financial assistance that is subsidized in whole or in part with state monies.

The Office of Student Financial Assistance confirms your eligibility by checking (a) the Statement of Legal Residence you provided to the Office of Admissions, Records, and Registration and/or (b) the Free Application for Federal Student Aid (FAFSA). CCC is required to report to the State of Arizona the number (but not the names) of students who apply for financial aid that includes state monies and are denied due to not being lawfully in the U.S. Failure to turn in a Statement of Legal Residence to the Office of Admissions and Records may disqualify you for financial assistance that contains state monies.
